(3) Ordinary Resolution 10 – Change of Auditors

Messrs. Deloitte PLT have indicated that they do not wish to seek for re-appointment as auditors of the Company at the forthcoming 17th AGM of the Company. Accordingly, the term of office of Messrs. Deloitte PLT shall end upon the conclusion of the 17th AGM of the Company.

The Board wishes to seek shareholders' approval for the appointment of Messrs. UHY as auditors of the Company and to hold the office until the conclusion of the next AGM.

(4) Ordinary Resolution 11 - Authority to Issue Shares

The Company wishes to renew the mandate on the authority to allot and issue shares pursuant to the Companies Act 2016 at the 17th AGM of the Company (hereinafter referred to as the "**General Mandate**").

The Company had been granted a general mandate by its shareholders at the 16th AGM of the Company held on 15 August 2020 (hereinafter referred to as the "**Previous Mandate**"). As at the date of this notice of 17th AGM, the Company did not implement any proposal for new allotment of shares under the Previous Mandate.

As part of the initiative from Bursa Securities to aid and facilitate listed issuers in sustaining their business or easing their compliance with Bursa Securities' rules, amid the unprecedented uncertainty surrounding the recovery of the Coronavirus Disease ("**COVID-19**") outbreak and Movement Control Order imposed by the Government, Bursa Securities had via its letter dated 16 April 2020 granted several additional relied measures to listed issuers, amongst others, listed issuers are allowed to seek a higher general mandate under Paragraph 6.03 of Main Market Listing Requirements of not more than 20% of the total number of issued shares (excluding treasury shares for issue of new securities ("**20% General Mandate**").

This 20% General Mandate may be utilised by listed issuer to issue new securities until 31 December 2021 and thereafter, the 10% general mandate will be reinstated.

The Board believes that the Company requires a flexible and readily available method of raising capital, to allow the Company to capture suitable prospective investment opportunities in a timely manner.

The Board, having considered the current economic climate arising from the global COVID-19 pandemic and future financial needs of the Group to sustain the business, is of the opinion that this 20% General Mandate is in the best interests of the Company and its shareholders, on the following basis:-

- the proposed 20% General Mandate would provide the Company and its subsidiaries with financial flexibility to raise capital expeditiously for its operations, future expansion and business development;
- the proposed 20% General Mandate would allow the Company to raise equity capital promptly rather than the more costly and time-consuming process by obtaining shareholders' approval in a general meeting should the need for capital arise;
- other financing alternatives such as debt financing may incur interest burden to the Company and its subsidiaries; and
- the proposed 20% General Mandate provides the Company with the capability to capture any capital raising and/or prospective investment opportunities if and when they are identified.

This 20% General Mandate, if passed, will provide flexibility for the Company and empower the Directors of the Company to issue and allot shares at any time to such persons in their absolute discretion. This authority unless revoked or varied by the Company in general meeting, will expire at the next AGM. The proceeds raised from the 20% General Mandate will provide flexibility to the Company for any possible fund-raising activities, including but not limited to further placing of shares, for purpose of funding future investment project(s), working capital and/or acquisitions.
